

UTILITY PROJECT

PRESCOTT LAKES PARKWAY WATER MAIN EXTENSION

MARCH 5, 2019

Public Works has issued an engineering design contract to Kimley-Horn and Associates to provide engineering services and to generate bid ready plans and bid documents to accomplish the proposed improvements to the domestic water distribution system in the Willow Lake Road and Prescott Lakes Parkway area. Design and utility investigations are currently underway. Plans are expected to be advanced to the 90% level in March, 2019.
